Hilton Presents The Greatest Slot Promotion in Gaming History!!

A Million Dollar Baby!! That's what the future held for Marie Pomplun, a 25-year old Los Angeles housewife who was expecting her second child when she won \$1 Million in Hilton's Super Pot-O-Gold Slot Championship tournament April 5 at the Reno Hilton.

Mrs. Pomplun qualified for the unique tournament by winning a quarter of a million dollars at the Flamingo Hilton in Las Vegas May 10, 1982. Her total tournament slot winnings came to a world record \$1,251,388!

A total of 35 contestants who each qualified by winning Pot-O-Gold slot jackpots ranging from \$123,000 to \$385,000 over a 12 month period at either the Las Vegas Hilton, Flamingo Hilton or the Reno Hilton were entered in the competition. The 35 contestants had won a total of \$8,294,671.

All Pot-O-Gold jackpot winners between March 17, 1983 and March 17, 1984, will be eligible for the 2nd Annual \$1 Million Tournament scheduled for the Reno Hilton on April 24, 1984.

When it became apparent Mrs. Pomplun had defeated Jessie Bolsten of Montclair, California by a total of 17 coins in the final phase of the competition, master of ceremonies Norm Crosby announced "Now that's really, really a million dollar baby!"

Her husband of 3½ years, Danny, burst into tears when he jumped on stage to embrace his very wealthy wife. Pomplun is employed as a structural designer.

The entire event was filmed by ABC-TV's "That's Incredible" with Cathy Lee Crosby co-hosting the competition with Norm Crosby.

Mrs. Pomplun received her winnings in the form of cash — 10,000-\$100 bills from Mr. Barron Hilton, Chairman, President and Chief Executive Officer of Hilton Hotels Corporation. The cash was later wired to her bank, earning her approximately \$300 daily in interest.

When asked how she would spend her money, Mrs. Pomplun said the one thing they wanted was to take a trip to the Holy Land.

When she called her father in Los Angeles to tell him the good news, she said "Daddy, I won the million dollars and I rubbed my stomach for luck just like you told me to!!"

The second place finisher won a total of \$1,371 in the competition and also received an all expense paid vacation to the Hilton Hawaiian Village.

The contestants started with an elimination round in which each player was given \$300 and 20 minutes to play. They competed in groups of nine, nine and eight, sitting on the Reno Hilton's Opera House Theater with their backs to the audience.

The field narrowed first to eight, then to four, before the two finalists were determined.

Mrs. Pomplun won with a total win of \$312 to \$295.
